Hi!

I was wondering if you can sew the shoes with black thread instead of red?

Thanks!

This picture doesn't really give justice to the shoe . The color and the quality is amazing you have to actually see it live. Best shopping experience in my life. I was scared to pay \$500 and have the wrong size . The owners made a video for me to take proper measurements of my husbands shoe and I got a costume made shoe that fit perfectly.I recommend this company for everybody , for sure I am going to be a loyal costumer. Thank you Carolina and Josefina, 1927 SHOES is the best .
